- Helping to Keep Britain Tidy, in partnership with the Community Committee.

The Future of The Bridewell?

Cllr Dr Angela McFarlane

The Bridewell - Background

- An asset of community value owned by Hampshire County Council (HCC).
- Until 31st December 2020 it housed the Odiham branch of HCC library service. This has now closed.
- OPC, supported by a community working group, is leading a project to open a Community Book Exchange in its place. The working group, and the 30 volunteers, want to open the Book Exchange in the former library space.
- HCC proposes to gift The Bridewell freehold to OPC for the cost of £1 with an option to bid for a grant of £10k towards the backlog of repairs.
- OPC has to decide whether or not to accept the building?
- OPC will need to seek grant funding from other sources to improve the building and create a community hub.
- If OPC do not take on the Bridewell, HCC intend to dispose of the building.
- OPC's lease expires in 2025 and OPC would need to negotiate a new lease or move.
- In order to manage the Bridewell at no additional cost to the community via the Precept it would be necessary to generate additional income from the building.

Questions to the community

Current SurveyMonkey ending 16th April

1. On a scale of 1-5, where 1 is not important and 5 is very important, how important do you think it is for the Bridewell to remain as a community asset?
2. Would you support the decision to take on the Bridewell if it resulted in an increase of 5% - approximately 50p a month for a Band D house - in the Precept (the portion of the Council Tax that goes to the Parish Council)? Y/N
3. Would you support the decision to take on the Bridewell only if it was cost neutral to the Parish Council? Y/N
4. Would you be prepared to join a 'Friends' scheme to support the Book Exchange to ensure it could provide books for the community and run a programme to encourage literacy and support IT literacy? Y/N
5. If yes, would you consider a subscription of a minimum of £2 per month – less than the price of one cup of coffee? Y/N
6. Any other comments:

The Bridewell - Decision

- The results of the online SurveyMonkey will be reviewed in time for the next full Council meeting 20th April.
- The full Council meeting on 20th April will include a full debate and vote on how OPC should proceed.
- The HCC grant closing date is 11th May.

Thank you!

Questions

- Can the OPC please confirm it is their intention to adopt the open space at Montfort Place?
- When will the draft revisions conservation area character assessment be available for public viewing?
- What are OPC's plans for The Firs? – the site is overgrown, unmanaged and posing a risk to road users.
